Instructions for filling out the Senior Membership Application

This application and resume will assist the current Senior Members to learn about you, and will assist them in the voting process. Once the office receives your application, we will verify that it meets the minimum requirements for advancement. You will then be placed on the waiting list. Once your 8 years of Regular membership have been completed, your resume will be sent to the current Senior Members and they will complete the balloting process. After the ballot process has been completed, the Board of Directors take a final vote to approve Senior Membership. Then, you will be notified of your acceptance or denial. Please be aware, Senior Membership dues are \$100 per year.

Applicant Information: Please fill out all fields.

List the Pope & Young Club Conventions Attended: List year and city for each of the P&Y Conventions you have attended. A full list of conventions can be found in the Member's Only Area of the Club's website.

List involvement in the Pope & Young Club: Please list detailed involvement in the P&Y Club. Examples of Club involvement are: serve on Board of Directors, serve on a Committee, serve as Official Measurer, volunteer at the Jack Creek Preserve Foundation Youth Camp, donations of photography for use in Club materials, write articles for use in Club materials, convention volunteer, spring workday at Club headquarters, museum volunteer, conservation projects volunteer, promotion booth at select shows, Share the Passion Membership Drive, volunteer at the Bowhunters Rendezvous, etc.

List involvement in Conservation and Education activities: Please list detailed involvement either in conservation or education. Examples include volunteering for conservation projects on a local, state or national level, doing your own conservation projects in your area, educating others on conservation or hunting or bowhunting (Bowhunter Education Instructor, Firearms Safety Instructor, Hunting Education Instructor, etc.).

List involvement in other outdoor clubs or associations: Please list other clubs or organizations you are a member of, and also list your involvement in those clubs. List all local, state and national organizations. Example: Chatfield Fish & Game Club – member; Rochester Archery Club – member, past Treasurer (2 years), volunteer at local events; Minnesota Bowhunters, Inc. – serve on Board of Directors (2005 to present), man booths at deer shows; Rocky Mountain Elk Foundation – member, donate money; NRA – member.

List involvement in mentoring: Please list detail of your mentoring experiences. This includes not only those you have initially started bowhunting, but anyone you have helped lead. Could even include current bowhunters that you mentor to become P&Y Members, and help them become more ethical and understand the Rules of Fair Chase.

Hunting experience: Requirement – have taken with bow and arrow four different adult North American big game species, and have at least three different species listed in the Pope & Young Club Records Program. Please check the appropriate box for each North American big game species. Never hunted means you have never hunted this species with your bow. Hunted/No Harvest means you have hunted this species with your bow, but did not successfully harvest an animal. Hunted/Harvested means you have hunted this species with your bow and have harvested at least one. Please list the states/provinces you have hunted. This section will allow our Regular and Senior Members to see a larger picture of your hunting experience, not just the kills, as we all know that it is the hunt that matters, not just the animal at the end of a hunt.

Essay Questions Please write an essay pertaining to each question.

Game Law or Criminal Violations: Please answer the two questions. If either answer is yes, please include details on an attached sheet. What was the violation? How did it occur? What fines/penalties were given? Did you have a loss of your hunting license? Any other information you feel is important to understand the situation.

Signatures: Please read the Memorandum of Understanding, and if you agree, sign and date the application.

You may email the application to membership@popeyoung.org.

You may mail the application to: Pope & Young Club, 2028 E Ben White Blvd, Suite #240-9931, Austin, TX 78741
