

BOWHUNTING BIG GAME RECORDS OF NORTH AMERICA

A PROGRAM OF POPE & YOUNG

To be eligible for entry into the Pope & Young's Records Program, an animal must have been taken:

- a. Entirely by the use of the bow and arrow (as defined by Pope and Young)
- b. In complete compliance with the controlling state/provincial game regulations
- c. In complete compliance with the club's Rules of Fair Chase
- d. And must meet or exceed the corresponding minimum score requirements for that category

PROCEDURE TO SUBMIT AN ENTRY

The following items are required to be submitted to Pope & Young for an animal to be considered for possible acceptance into the Records:

1. The scoring form (the original) completed by an Official Measurer of Pope & Young or the Boone & Crockett Club. The antlers, horns or skull (completely cleaned) must undergo a "drying period" of at least sixty (60) days, during which it must remain at room temperature and room humidity in an unaltered state, before official measurements can be taken.
2. A completed Fair Chase Affidavit
3. Three (3) photos of the antlers, horns or skull (a view from the front side, a view from the left side and a view from the right side). A field photo is also requested, if possible.
4. \$40.00 recording fee (made payable to Pope and Young)

Send to: Pope and Young, PO Box 548, Chatfield, MN 55923 (507) 867-4144

MINIMUM POINT SCORE REQUIREMENTS

Under the heading of North American big game are the following species categories with their appropriate minimum entry score requirement (using the Boone & Crockett / Pope & Young scoring system). Geographic boundaries, as described in the publication **Boone and Crockett Club – Pope and Young Club Official Measurers Manual**, are established for the categories.
